

# EU Summer School

<b>START DATE:</b>	Monday 15 <sup>th</sup> July 2019 (arrival weekend of 13 <sup>th</sup> and 14 <sup>th</sup> July)
<b>DURATION:</b>	4 weeks
<b>CAMPUS:</b>	Paisley
<b>SUITABLE FOR:</b>	undergraduate students interested in gaining business skills
<b>CREDIT BEARING:</b>	2 x 10 credit modules (10ECTS) via practical assessments and coursework
<b>COST:</b>	£1250
<b>INCLUDED:</b>	Accommodation, tuition, excursions and social activities

## Course overview

The programme is a great opportunity to explore all that Scotland has to offer, allowing students to take home academic credit under the European Credit Transfer Scheme. Modules are delivered by expert lecturers in active learning suites, ensuring the best learning experience.

Students will take part in two modules which focus on enterprise, leadership and management which carry 10 ECTS credits alongside bespoke master classes that will cover; social media, career planning, personal branding and employability.

The timetable is structured to give you the freedom to explore Scotland and the UK. We'll also provide opportunities for excursions to places like Loch Lomond and some fun social activities throughout.

# UWS Summer Schools

## About UWS

University of the West of Scotland has origins dating back to 1897 and has around 17,000 students studying on five campuses in the UK. Our five Schools teach courses in the disciplines of Business & Enterprise; Education; Engineering, Computing & Physical Sciences; Health & Life Sciences; and Media, Culture & Society. Our largest campus is in Paisley, just outside Glasgow - Scotland's largest city.

## Studying in Scotland

Scotland is an exciting place to be, with more world-class universities per head of population than anywhere else in the world; the highest rates of student satisfaction in quality of teaching in all of Britain; and Scotland's graduates have the highest rate of employment or further study in the whole of the UK.

## Weather

The weather in Scotland is temperate; expect temperatures of 15-20 degrees Celsius in the summer. It does not rain as often as you may think but it is worth bringing a rain coat and a few warm layers of clothing (especially if you are from a hot country) as the weather can be a little unpredictable!

## Paisley Campus

Paisley combines heritage and history with all the facilities you'd expect from Scotland's largest town, and our campus is just 10 minutes by train from Glasgow, one of Europe's most exciting and dynamic cities. Edinburgh is around one hour by train and London and Dublin are just one hour by plane. You can reach many areas of Scotland by train or coach; the Trossachs National Park and Loch Lomond are less than one hour away.

## Accommodation

UWS offers high-quality accommodation in single, en-suite rooms; accommodation is either on campus or within a 5-10 minute walk from your class location and other campus facilities. Some accommodation shares social space (for example, 4-6 bedrooms share a kitchen and living area), other accommodation is offered as a self-contained studio.

Paisley Campus accommodation

## Meals

Our programmes allow you to have flexibility around meals. You can choose to shop and cook for yourself in your self-catered accommodation. Alternatively we provide meal packages at our student canteen, very close to the accommodation.

## Studying at UWS

All courses at UWS are taught by professionals who are experienced in their subject. Our lecturers come from all over the world and many worked in industry before joining the University, so you will be taught by people with a wide range of experiences. You will typically study five mornings and two to three afternoons per week (around 21 hours of tuition in total), plus you will attend sessions on life and study in the UK.

## Free time

The courses are designed so you will have free time in the evenings and weekends to socialise with your classmates or explore Scotland. UWS will arrange some cultural and social activities as part of your course, and we are always happy to advise and arrange visits around Scotland for you, or help you plan your trip.
